

Addendum to Kings International College Health & Safety Policy

Policy Approved 1st July 2020

Addendum issued 3rd December 2020

This addendum is being issued following the departure of SLS from managing the school lettings and of the Fins Swimming Club from managing the swimming pool.

Accident/Incident Reporting

Premises hires and users must report all incidents related to unsafe premises or equipment to the school using the contact details provided.

Lettings

All third party service users operate under hire agreements and in accordance with the Kings International College Lettings Policy.

Swimming Pool

The swimming pool has been closed from 1st December 2020. The water has been drained from the pool, the pool plant de-commissioned and the buildings secured. The school has taken over legionella management of the pool and the scheme of management amended accordingly.

Pandemic

In the event of a Pandemic the school will carry out a detailed Risk Assessment taking into account and Government advice
