

Dear Parent / Carer

I would like to make you aware of our current immunisation schedule for years 7-9, for this academic year.

<u>Immunisation</u>	<u>Current Year Group</u>	<u>Date</u>
Flu	7	Friday 13 <sup>th</sup> November 2020
FSB/MEN ACWY	9	Friday 29 <sup>th</sup> January 2021
HPV 2 <sup>nd</sup> Dose	9	Wednesday 31 <sup>st</sup> March 2021
HPV 2 <sup>ND</sup> Dose	8	Thursday 1 <sup>st</sup> April 2021

Consent is now given on-line and you will receive notification of how to do this approximately 8 weeks before the scheduled immunisation. The school nurses will come in to school to administer the immunisations, and only those students for whom consent has been given will be able to receive the immunisation – please ensure your child is aware if consent has or has not been given. All students who have consent will be asked a set of standard health questions by the Nurses in order to confirm that they are fit and well before the immunisation is given.

If you do not wish to give consent for your child to receive an immunisation please do let the nurses know by following the instructions in the letter that you will receive approximately 8 weeks before the date.

School staff are unable to help with queries regarding immunisations; you will need to contact the Nursing team directly on 01483 728201, ext 377. Please be prepared to leave a message. You should also let the Nursing team know if your child is particularly anxious about the immunisation.

Yours faithfully,

Ms Christabel Hayter
