

5th June 2020

Dear Parent/Carer

Year 10 Work Experience 2020

It is with regret that we have decided to cancel our work experience programme this year for Year 10.

Due to the unprecedented situation we find ourselves in, it is not viable to continue with the programme in September. When schools first closed, we had no idea how long this would last for and we were hopeful that work experience would still go ahead.

Given the amount of time that our Year 10 students will have spent away from school we feel that another week missed would be detrimental to them at such an important time in their school life.

I have sent out a number of communications regarding virtual work experience programmes that are available, and it is my advice that you encourage your child to sign up to at least one of these over the coming months to ensure that they have some kind of work experience. Although the programmes may not be the career of choice for your child, any form of work experience will give them valuable skills for their future.

I will, of course, continue to send out information that may be useful to you and your child and can only say that I am very sorry about the situation we find ourselves in, as I know that so many of them were looking forward to their work experience.

A full refund of £20 will be made to your Parent Pay accounts shortly. If you have any questions regarding this please contact Mrs Nelson on m.nelson@kings-international.co.uk If you would like to discuss this letter with me personally, please contact me on l.bowman@kings-international.co.uk.

Kind Regards

Mrs L Bowman
Careers Coordinator
